

GISSA KZN Committee Members

ESRI South Africa, TOPCON and Presenters at our GISSA KZN AGM meeting.

THANK YOU

The GISSA KZN committee members would like to take this opportunity in thanking ESRI South Africa for the Donations of Books for lucky draw prizes, Arc News and Arc User magazines as well as the pens and goodies for our Annual General Meeting and presentation day that took place in March at the Westville Country Club.

The following Esri staff members need extra Special thanks that contributed or assisted us on the day. Leigh Thomas, Christopher Byren, Dave Terblanche and Lauren Sweidan

We would also like to take this opportunity in thanking Leigh for her valuable input and assistance that she had given us all and continued to do so even though she had moved to another province after she was married. Leigh did a sterling job as our previous secretary.

Thank you TOPCON for the donation and for presenting on the day.

Thank you to the following presenters who took time out to prepare and present to all of the GISSA Members on the day.

Introduction to ArcGIS 10 – **Dave Terblanche – ESRI SA**

Status of GIS with eThekwini – **Gregory Day – eThekwini**

Mobile Mapping – **Grant Merchant/ Greg Breytenbach - Topcon**

The Validation and Calibration of Remote Sensing Techniques for Forest Structural Assessment – **Timothy Wiggill –UKZN Student**

Hydrological Flow Modelling using Geographical information Systems – the case of Phuthiatsana Catchment, Lesotho – **Lipalisa Khalema – UKZN Student**

Brent Steyn was the MC for the event

Sam Yirenky
